

CERTIFICATE OF AUTHORIZATION

The named company is authorized to use the indicated certification mark of the American Society of Mechanical Engineers (ASME) for the scope shown below in accordance with the applicable rules of the ASME RTP-1 Standard on Reinforced Thermoset Plastic Corrosion Resistant Equipment. The use of the certification mark and the authority granted by this certificate of authorization are subject to the provisions of the agreement set forth in the application. Any equipment marked with this symbol shall have been produced, assembled, and tested in accordance with the provisions of the aforementioned ASME standard.

COMPANY:

**Diamond Fiberglass
1036 Industrial Park Drive
Victoria, Texas 77904**

SCOPE:

Manufacturer of reinforced thermoset plastic corrosion resistant vessels and vessel parts by shop fabrication and shop subassembly, fabrication of types I, II and X laminates using hand lay-up, spray-up and filament winding fabrication methods; performance of and subcontracting of design by rules and design by stress analysis; performance of hydrostatic and vacuum testing and subcontracting of acoustic emission, vacuum, hydrostatic, and mechanical laminate testing at the above location; and performance of field assembly and field repair for new construction before being placed in service

AUTHORIZED: **November 4, 2012**
EXPIRES: **November 4, 2015**
